ONTARIO'S HARVEST Gala

September, 2017

Dear Farm & Food Care Ontario members and supporters

More than a decade ago, the late farm leader, Paul Mistele, encouraged Farm & Food Care Ontario staff to create an end-of-season celebration for all who work for and within Ontario's agricultural sector. Paul's vision, based on his clear conviction about how farmers and all those who support them work so incredibly hard throughout the year, felt passionately that they deserved to have some terrific fun together in celebration of our shared harvest. With Paul's inspiration, the tradition of hosting our Ontario Harvest Gala was born.

Once again, leaders from all parts of farming, food production, and the spectrum of farming-supportive input and service sectors, will gather to celebrate the very best of our shared harvest. Whether you're a farmer, an agri-business professional, a dedicated volunteer or advocate, a board director or a representative of our growing base of members and sponsors, this celebration is for - and about -- you. We gather proudly to support a mission that is close to all of our hearts - that of Farm & Food Care Ontario and our collective work to earn public trust in food and farming in our province.

Please join us for this milestone occasion of our tenth annual Farm & Food Care Ontario's Harvest Gala on November 2, 2017 in the Ballroom at the Delta Guelph Hotel. The evening will feature great entertainment, an abundance of amazing Ontario food choices, superbly crafted local beer and wine, and some of the best and most Ag-passionate people you could ever know.

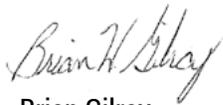

Our Harvest Gala this year includes:

- A cocktail reception
- Themed tasting stations
- Mixing, mingling and meeting great people

Our Gala is such a special, anticipated evening for everyone, and it generates critical support for the progressive work of Farm & Food Care Ontario.

Tickets are \$150 each (or a table of eight for \$1200).
