Farm Animal Care Coordinator

Farm & Food Care Ontario is hiring a Farm Animal Care Coordinator. Reporting to the Farm & Food Care Programs Manager, the coordinator will manage all activities and business related to farm animal welfare initiatives and will work in conjunction with, and with direction from the Farm Animal Care Advisory Council and the Board of Directors

Knowledge/Skills Required:

- Two to five years of experience in the agriculture & food industry
- A degree in animal science, veterinary science or animal welfare related studies
- Strong interest and current understanding of farm animal welfare, livestock emergency preparedness, Codes of Practice, on-farm animal welfare programs, on-farm auditing, and related programs
- Proficiency at planning and coordinating meetings and workshops
- Excellent communication skills with a demonstrated ability to write detailed reports and resources, on time and on budget
- Ability to work with other industry stakeholders on long term and co-operative projects
- Strong presentation, training and facilitation skills
- Experience running, coordinating and booking professional meetings or workshops
- Ability to work well independently and as part of a dedicated team
- Project management skills, including writing detailed reports and developing and managing project budgets, with the ability to multitask, prioritize and implement programs with attention to detail
- Valid drivers' license with access to a vehicle

Salary will be commensurate with work experience. Work will be based out of the Guelph office of Farm & Food Care Ontario but will include some travel.

Email your cover letter and resume no later than June 10, 2016 to jobs@farmfoodcare.org.
