Farm Animal Care Research Assistant Environmental Programs Research Assistant

Summer Intern positions (2 positions)

Farm & Food Care Ontario is hiring two Summer Intern positions: Farm Animal Care Research Assistant & Environmental Programs Research Assistant. These two positions will report to the Farm & Food Care Coordinator & Environmental Coordinator respectively.

The summer interns will:

- conduct background research for committees and the team
- assist with report writing and data management
- contribute to social media resources
- work with their respective team at events and meetings related to farm animal care and the environment
- other duties as assigned

Eligible participants:

- be between the ages of 16-30
- must have been registered as a full-time student in previous academic year and intend to return to school on a full-time basis in the next academic year
- be a Canadian citizen or permanent resident & entitled to work in Canada

Position details:

- work term is for 8 weeks (July-August)
- Pay is \$11.25/hour
- Both positions will be based out of the office in Guelph
- Some evening and weekend work may be required.

Email your cover letter and resume with subject line SUMMER INTERN no later than June 15, 2016 to jobs@farmfoodcare.org stating which position you would be interested in.
