

# Ornamental Horticulture: *The Path Forward*

**Dr. Jeanine West**

**April 7, 2016**

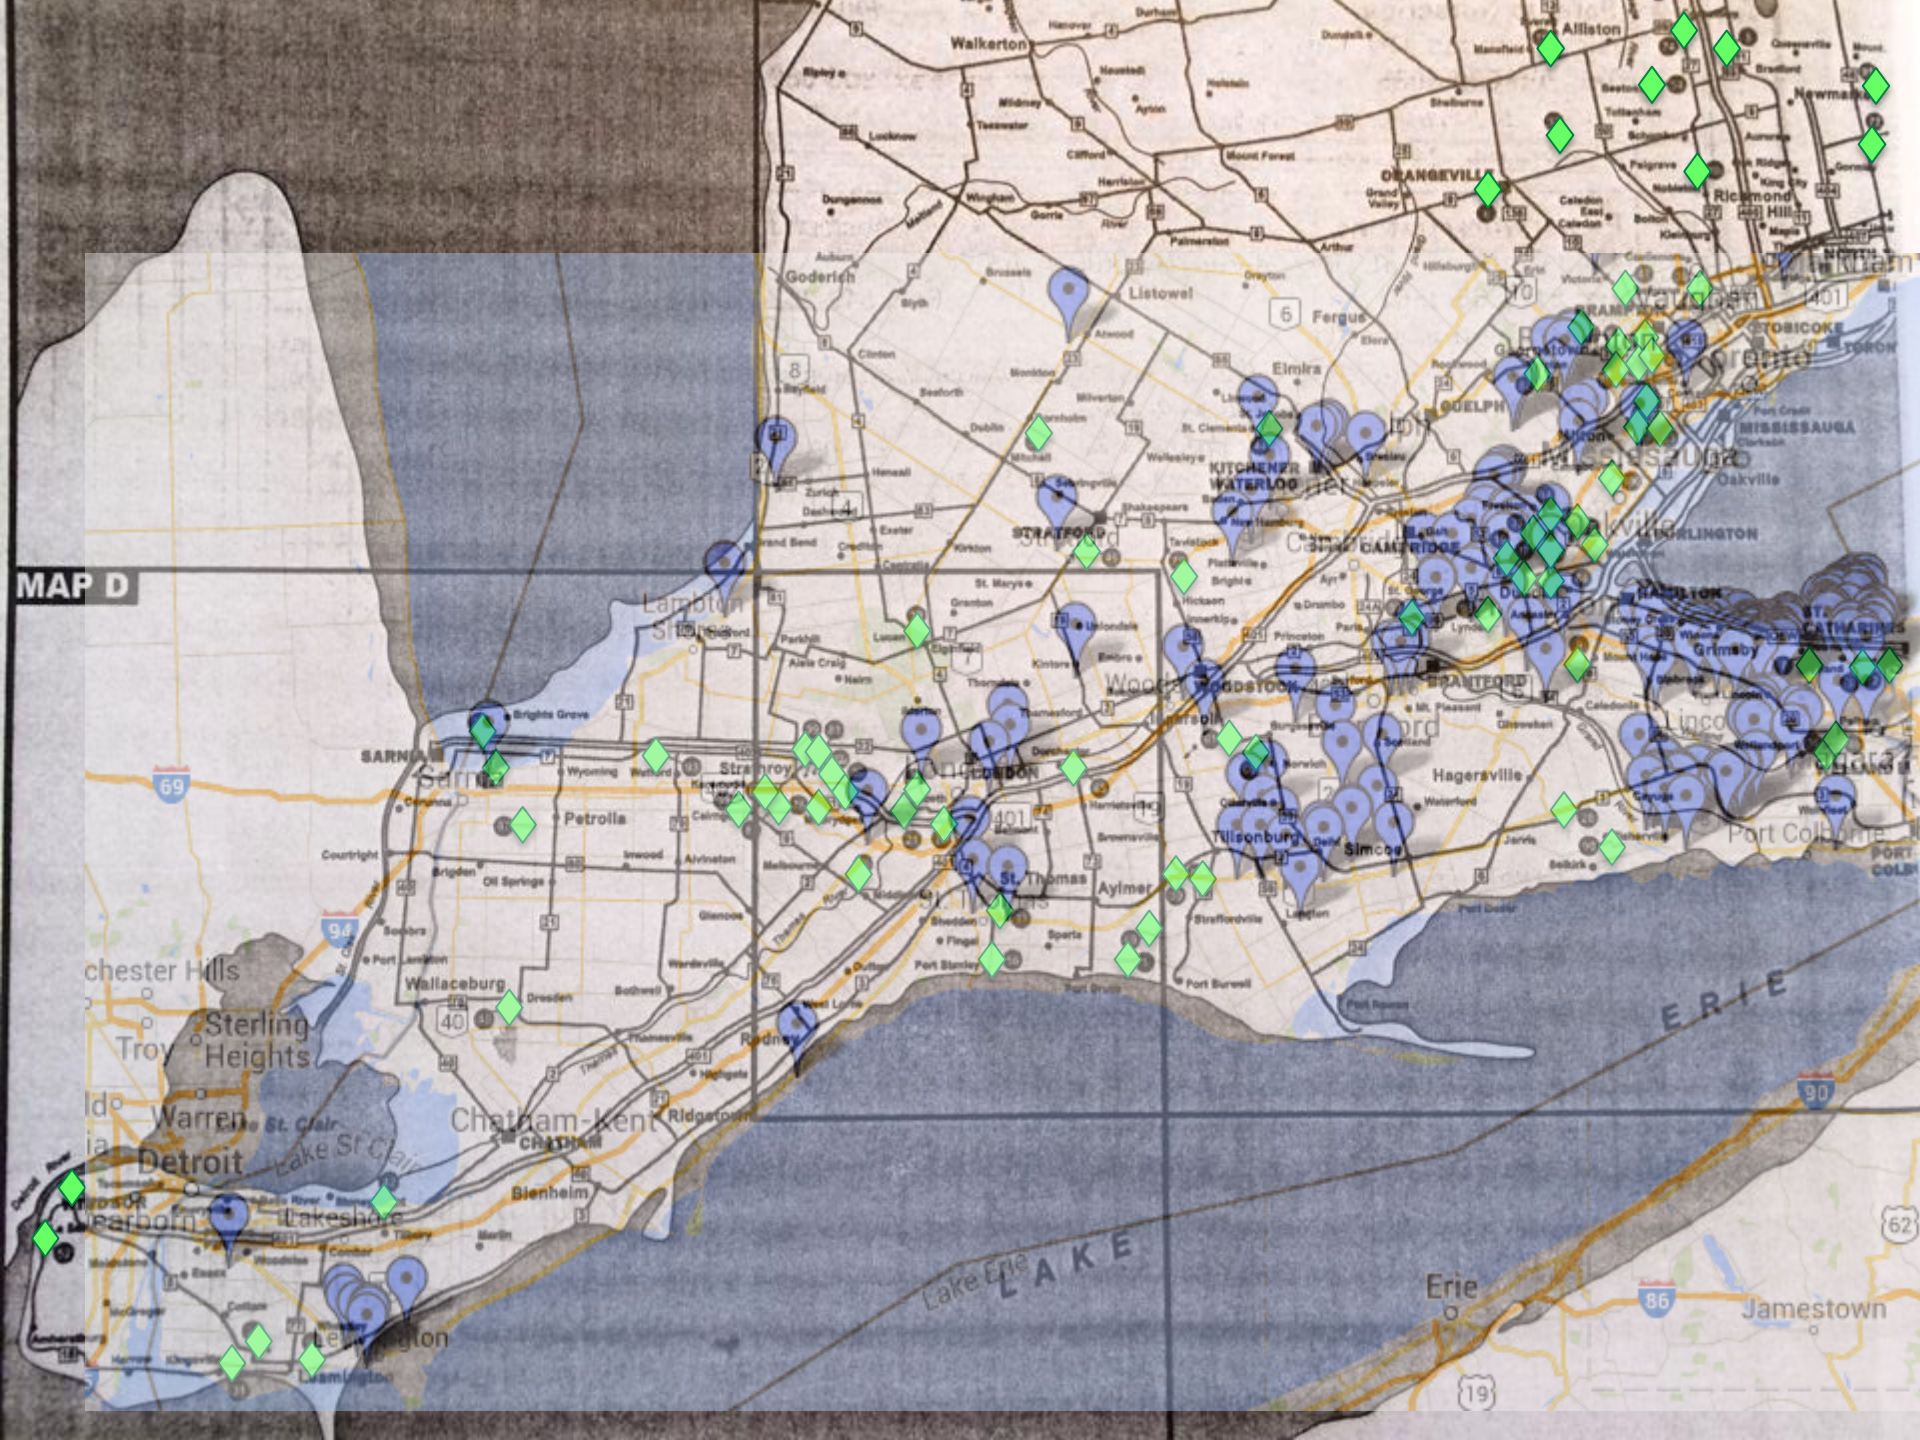

**Farm & Food Care**

MAP D

# CHALLENGES

**D R A F T**

**Strategy  
for a  
Waste Free  
Ontario:  
Building  
The Circular  
Economy**

**For Consultation Purposes**

**RESEARCH**

# Production Water Characterization

# Hybrid Treatment Systems

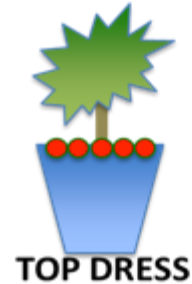

# Nutrient Requirements

# Fertilizer Placement Study

# Nursery Water Quality

# Nursery Irrigation Efficiency

# Nursery Water Balance

# HELP!

**Regulations**

**Research**

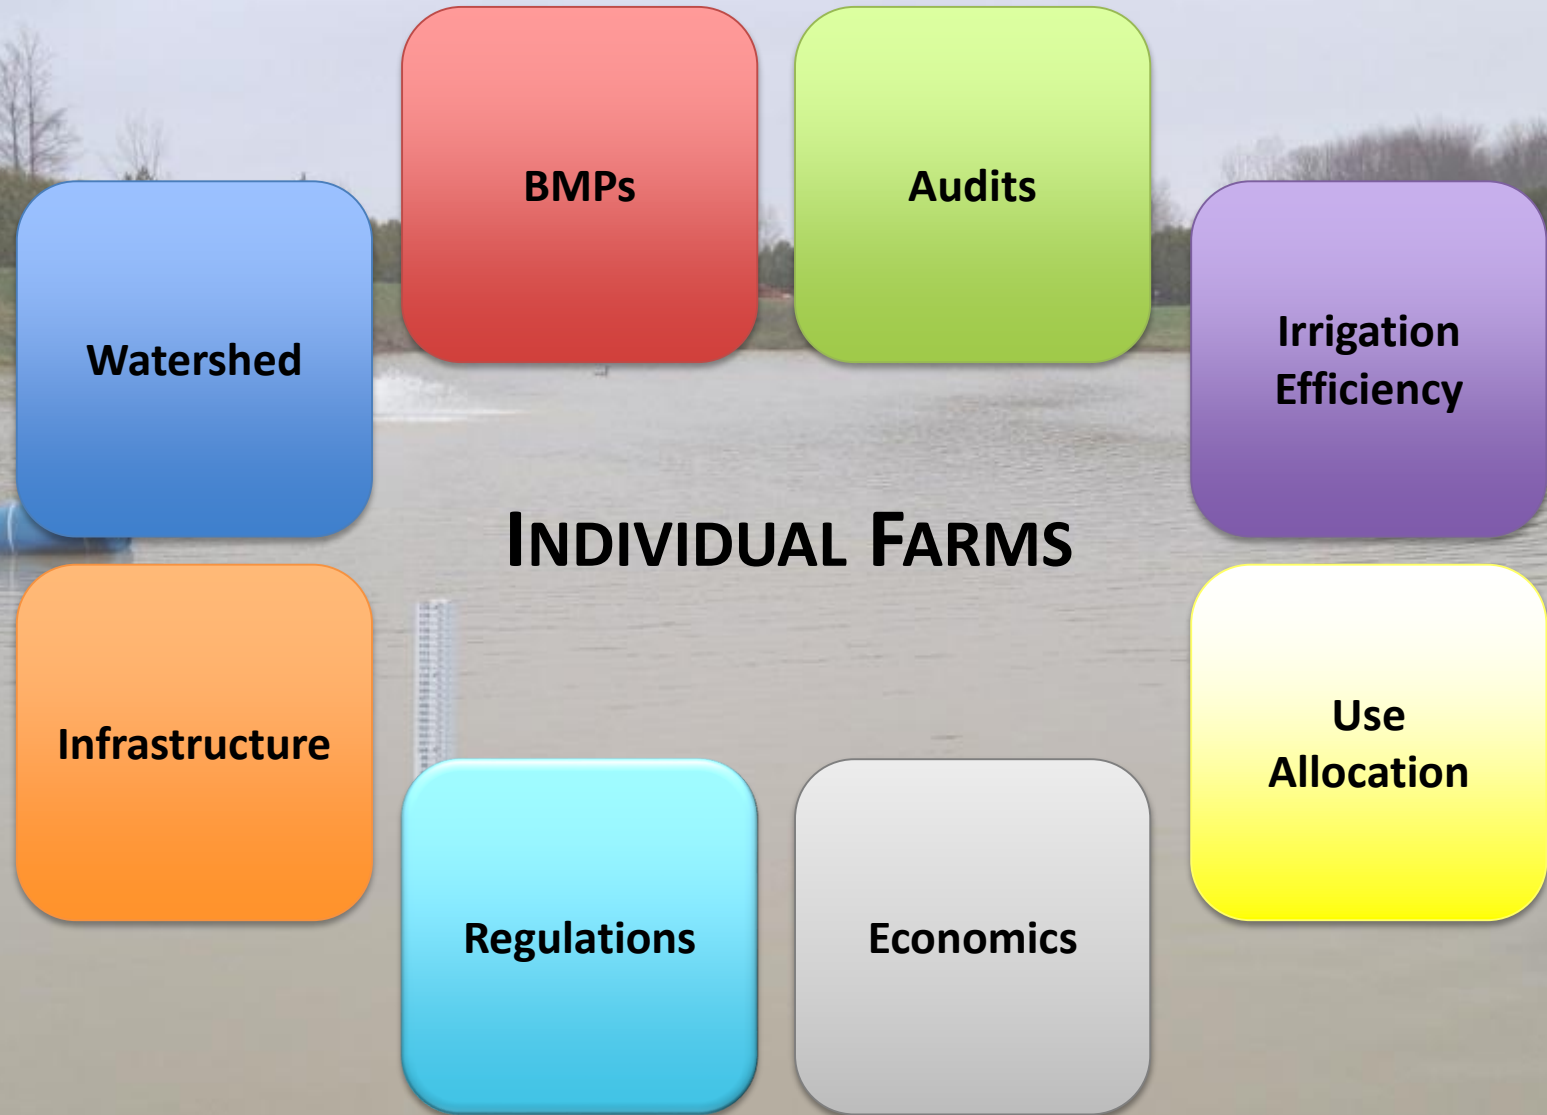

**Funding**

**Agency Roles**

# Protecting Water Quantity

# Protecting Water Quality

# Continued Research

# Self-Assessment Guides

## **Self-Assessment and Best Management Practices for Water and Fertilizer Use in Greenhouse Vegetable Production**

# Associations

HORTICULTURAL TRADES ASSOCIATION  
**landscape ontario.com**

*Green for Life!*

# Funding

- Farmer cost-share
- Organizations/Collaborations
- Get the work into the hands of the farmers!

We're on the right track, but...

**STILL MORE TO DO !**
