

## Breakfast on the Farm 2022 Host Farm Application

*Filling out this application is the first step in the process of being considered to host a Breakfast on the Farm event. We appreciate your interest in this great Ontario farm program.*

### Application Directions

Farm & Food Care is looking for hosts for the 2022 Breakfast on the Farm (BOTF) program. It will build off successful events over the last many years – each attracting almost 2,000 visitors. To see pictures of the events visit: <http://www.farmfoodcareon.org/breakfast-on-the-farm/>

The purpose of BOTF is to cultivate awareness and appreciation for food and farming through a fun event that emphasizes the importance of environmental stewardship, food safety and good animal care practices.

If you would like FFCO to consider your farm as a host for a Breakfast on the Farm (BOTF), please complete this application and submit it to Farm & Food Care. Your completed application must be received by **January 7th**. Host farms will be selected shortly after the deadline.

The preferred timeline is between May to October. Please keep this in mind when applying to host.

If you have any questions, please contact Tammy Oswick at [events@farmfoodcare.org](mailto:events@farmfoodcare.org) or call the office at (519) 837-1326 ext 243.

### Things to Consider

These events can attract 2,000 people over a four - five hour period. There may also be several hundred vehicles on-site during the event. As a host for the 2022 BOTF event you should be prepared to accommodate at least this number of people.

Farm & Food Care will work with the selected host farm to determine a mutually agreeable date and to establish a local planning committee.

There is a significant time commitment to hosting a Breakfast on the Farm event. There is an expectation that at least one member of the host farm will help with the planning process and be the liaison between the planning committee and the host farm. The host farm will also be a resource to area contacts for planning committee members and needed suppliers. Additional time may needed to help prepare the farm for hosting the event.

Leading up to the event there will be visits to the host farm by the planning committee. Set-up primarily takes place during the week leading up to the event. Clean up happens at the end of the event and could last a couple of days depending on rentals needed (tent, tables, chairs etc.).

## Contact Information

Farm name: \_\_\_\_\_

Farm owner(s): \_\_\_\_\_

Other family members involved in the farm: \_\_\_\_\_

Designated contact person: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

City, Province, Postal Code \_\_\_\_\_

Farm Address (if different): (Street, City, Province, Postal Code): \_\_\_\_\_

Home phone: \_\_\_\_\_ Cell phone: \_\_\_\_\_

E-mail: \_\_\_\_\_ Website: \_\_\_\_\_

Farm Twitter handle: \_\_\_\_\_ Farm Facebook page: \_\_\_\_\_

We give permission to include our address (including civic address) on promotional materials. \_\_\_\_ Yes \_\_\_\_ No

## About Your Farm

In what county is your farm located? \_\_\_\_\_

What is the nearest major town? \_\_\_\_\_

How many kilometres from the farm is this major town? \_\_\_\_\_

How many generations is your farm and/or how many years has it been in business?

Briefly describe the farm (number of animals, acres, crop types, type of barn/farm setup etc.) and list any special certifications (organic, Environmental Farm Plan, Nutrient Management Plan, etc.). Pictures of your farm are encouraged and can accompany your application.

Please list three to four key aspects of your farm that will be of interest to visitors. What will visitors do or see while on the farm and what is unique about your farm?

What two key messages do you hope to convey to the visitors?

Does your farm or anyone involved in your farm operation belong to any groups or associations? i.e. 4-H, Junior Farmers, local agricultural fair, Lions or Rotary clubs. Please list, along with local group contact:

**Logistical Information**

|   | Yes | No |
|---|-----|----|
| Have you hosted groups on your farm before (i.e. school field trips, politicians, local farm meetings, etc.)          |     |    |
| Do you have a building that would accommodate up to 300 people at a time for breakfast? (If no, a tent can be rented) |     |    |
| Do you have an area where visitors can park (up to 400 cars at a time)?   |     |    |
| Do you believe the facilities and farm layout will accommodate 1,500 to 2,500 visitors over a four hour period?       |     |    |
| What would you estimate your visitor capacity to be at one time? (approximate)  |     |    |
| Do you have livestock that visitors will be able to interact with?  |     |    |
| Are you willing to serve as a media spokesperson for your farm and have conversations with visitors?                  |     |    |
| Have you ever had media/Speak Up training?  |     |    |

**Insurance**

Do you currently carry liability insurance that covers visitors to your farm?

If you do not have liability insurance, special event liability coverage may be possible through your insurance carrier. Please note that activities involving vehicles or machinery (for example, hayrides) often require additional/specialized liability insurance beyond the standard liability. ***It will be required that you have a special one-day policy if not already covered.***

## Volunteers

BOTF requires a good planning committee of local leaders who are willing to help plan the large event. Farm & Food Care will have a representative on the committee as well as the host farmer. Other leaders will be needed to serve on the planning committee. As a host farmer suggestions that you have in your area are welcome.

The BOTF event day requires a number of volunteers to serve in many different capacities; from parking cars to serving breakfast and acting as a farm host at various stations around the farm. This will be a role for the planning committee to help identify local volunteers/ag ambassadors.

BOTF requires 100 volunteers the day of the event. Are you comfortable in helping to recruit some of the volunteers?

\_\_\_\_\_ Yes      \_\_\_\_\_ No

## Fundraising

BOTF involves many local leaders who are willing to help plan and fund the event. You will be one of the key people involved in contacting potential donors who you know or do business with. The funds will come from your local area. Are you comfortable in helping fundraise for the event?

Hosting a BOTF requires a financial commitment. Even though funds will be raised to cover the event, there may be maintenance items and preparation expenses in relation to getting the farm ready to host. Families have spent a considerable amount of time and effort cleaning, organizing and preparing their farm to be open to the public (i.e. pressuring washing the barn). Are you willing to take on this commitment?

\_\_\_\_\_ Yes      \_\_\_\_\_ No

## HEALTH & SAFETY PROTOCOLS

With the current (and unforeseen) global health situation, and in keeping with Farm & Food Care Ontario Policy, all FFCO staff, contract employees, students and volunteers will be required to provide proof of Covid vaccination. Everyone will be screened prior to going on the premises.

Are you, your family and employees able to provide proof of vaccination? (This is a mandatory requirement).

\_\_\_\_\_ Yes      \_\_\_\_\_ No

*Currently (as at Dec. 1, 2021) the Government of Ontario states: "Outdoor organized public events are permitted with no limit on the number of people. A face covering must be worn if physical distancing of 2 metres is not possible. . . . You must provide proof of full vaccination against COVID-19 and personal identification to access certain settings."*

**Signatures**

I have read and understood all components needed to successfully host a Breakfast on the Farm event.

## Breakfast on the Farm Summary of Host Farm Expectations

Because of the size and scope of the event, it is not for every farm or every farmer. Below is a brief checklist to help you decide if hosting a Breakfast on the Farm is right for you and your family

FARM NAME: \_\_\_\_\_

*Yes we have.....*

- Facilities and farmstead that will accommodate 1,500 – 2,500 visitors in a 4 period
- Parking for approximately 400 cars at one time and transportation for visitors requiring assistance
- Adequate liability insurance to cover visitors (a special policy for the event may be necessary)

*Yes we are.....*

- Comfortable with allowing visitors access to all areas of the farm that are safe and accessible
- Willing to comply with biosecurity standards
- Willing to have a safety assessment of the farmstead conducted
- Able to commit time and resources to plan and organize the event; to attend 5-10 planning meetings and to prepare the farm
- Willing to help identify and work with a planning committee of volunteers and at least one Farm & Food Care staff member
- Willing to help Farm & Food Care secure 100 volunteers for the day of the event
- Willing to identify and contact local financial sponsors and to have Farm & Food Care serve as the fiduciary for the event
- Willing to be financially responsible for maintenance, cleaning and other event preparations on the farm
- Willing to serve as a media spokesperson for your farm
- Willing to complete an application in order to be considered as a potential Breakfast on the Farm host
- Able to meet all Health and Safety protocols, including providing proof of vaccination.
