Dear friends and colleagues,

It is with great pleasure that I invite you to join Farm & Food Care Ontario on November 28 for the annual Harvest Gala. This year, we will return to the Delta Hotel in Guelph, ready to blaze a trail of celebrations with a Boots & Bows theme.

In 2024, we have been presented with numerous opportunities to showcase the strength, resilience, and integrity of Ontario's agri-food sector. I look forward to the gala each year, as it provides us with a chance to come together as an industry and celebrate our collective successes.

It is with credit to support from you, our esteemed partners and members, that this important event continues to be possible. We hope that you will extend the invitation to your team, clients, board members and community, encouraging them to also take part in a beautiful evening of networking, dining and fun as we raise funds in support of our shared mission and the work of Farm & Food Care.

So, dust off your boots, bows and ties, come dressed in your celebratory best and be ready to tip your hat to the harvest with us.

I look forward to seeing you there.

Yours in food and farming,  
Crispin Colvin  
Chair, Farm & Food Care Ontario
