

Resource Catalogue

Updated Feb. 2025

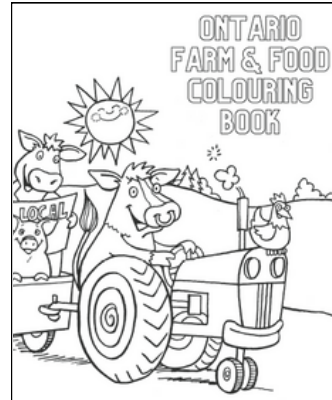

1. Chatterbox (8.5"x11")

A classic children's game with a farming flare that only requires folding to make.

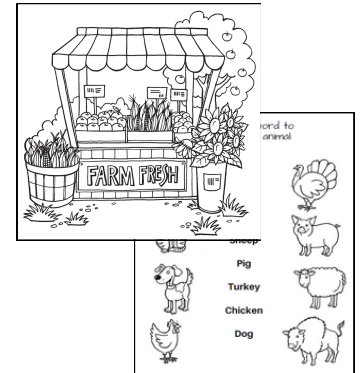

2. Children's Activity Poster (21"x16.5")

With a colourful search and find on the front and several activities on the back. This activity sheet is perfect for all ages.

3. Colouring Book (7"x8.5")

Made for kids, this 16-page colouring book features a word search, match games, connect the dots and fun facts about farming in Ontario.

4. Colouring page (8.5"x11")

Assorted one-page colouring sheets featuring charming designs, making a fun way to spark an interest in agriculture.

The Real Dirt on Farming

6th edition available

The Real Dirt on Farming is Farm & Food Care's most popular consumer publication. With over four million copies in distribution over four editions, this compelling and easy-to-read magazine has been responding to Canadians' questions about food and farming for 15 years.

In 2024, the 6th edition of *The Real Dirt on Farming*, was the winner of the Canadian Farm Writers' Award for long format communication and Canadian Agri-Marketing Association's Best of CAMA (BOC) 2024 winner Best of Show – Industry and Public Relations from the Magazines Category.

New online resources

- Educator Guides
- 4-H Resource

5. The Real Dirt on Farming, Full version

This 60-page, booklet answers the top questions Canadians have about food and farming in an easy-to-understand format.
