

# BREAKFAST ON THE FARM

**The MacLean Family, Ripplebrook Farm, Napanee  
August 26, 2023 from 9 a.m. to 12 p.m.**

## THE EXPERIENCE

Meet the MacLean family. They are proud dairy farmers in Napanee, Ontario, producing approximately 1.5 million litres of milk, per year, for Canadians. The farm is home to 280 animals and a lot of heart. Their herd of 130 milking cows is milked three times daily in a modern free-stall dairy barn. The farm is also home to seven show-winning quarter horses. Crops on the farm are grown on over 900 acres of land and include alfalfa, barley, wheat, corn and soybeans.

The MacLean family is looking forward to opening their farm gates to provide an opportunity for families and urban and suburban consumers to chat with farmers while providing a comprehensive tour of a working Ontario farm.

Guests will be treated to an all-Ontario breakfast, farm tour, visits to interactive educational displays, family photo ops and a lot of fun! As a member of the Ontario agricultural family, we invite you to join us that day through generous support and partnership that will make this event a community-driven success. Thank you for standing with us as we build public trust in food and farming in Ontario.
