

1. Chatterbox (8.5"x11")

A classic children's game with a farming flare that only requires folding to make.

2. Children's Activity Poster (21"x16.5")

With a colourful search and find of a farm scene on the front and several more complex activities on the back. This activity sheet is perfect for all ages.

There are over 125 different fruit and vegetable crops grown in Ontario.

3. Colouring Book (7"x8.5")

Made for kids, this 16-page colouring book features a word search, match games, connect the dots and fun facts about farming in Ontario.

The Real Dirt on Farming

New 6th editions available.

5. The Real Dirt on Farming, Full version

This 60-page, award-winning booklet answers the top questions Canadians have about food and farming in an easy-to-understand format. Available in English (a) and French (b).

6. The Real Dirt on Farming Digest

A 12-page digest version of The Real Dirt on Farming booklet is also available to hand out in larger quantities at your event. Coming soon in English (c) and French (d).

MEMBER ONLY RESOURCES*
