

BREAKFAST ON THE FARM

**The Louwagie Family, Hillmanor Holsteins, Dublin
September 14, 2024 from 9 a.m. to 1 p.m.**

THE EXPERIENCE

On September 14, Farm & Food Care Ontario and the Louwagie family are hosting Breakfast on the Farm, an immersive dairy farm tour and educational event, at Hillmanor Holsteins.

This unique activation will showcase the Louwagie family farm, where innovation, technology, and family dedication shine at every turn. We invite you to partner with us to provide an opportunity for 2000+ guests to tour the farm, witness robotic milking and feeding, and engage with and learn from the farm family, many farmer volunteers, and cross-commodity agri-food partners.

Hillmanor Holsteins showcases the Louwagie family's commitment to efficiency and sustainability for the last 60 years. The barn, home to 360 animals, is equipped with solar panels, which provide more than half of the farm's power.

Join Farm & Food Care Ontario for the day by partnering with us at this event. Your support is crucial in making these events possible and promoting the importance of local community engagement.
