MEET YOUR HOSTS: HOENHORST FARMS

We invite you to join us on June 14, 2025, for Breakfast on the Farm, hosted right here at Hoenhorst Farms near Innerkip. This year is extra special as we celebrate 100 years of farming excellence!

As a fourth-generation dairy farm, our family, along with our dedicated team of eight employees, takes great pride in producing high-quality milk. During your visit, you'll get an up-close look at how we use modern technology, including milking robots, to keep our farm running smoothly.

Our farm is home to 1,000 Holstein calves and cows, with a strong commitment to raising happy, healthy and relaxed cows.

Beyond the dairy barn, we're excited to welcome exhibits and displays showcasing the incredible diversity of Ontario agriculture. As you explore, you'll have the chance to meet farmers, discover interactive exhibits, and learn about the wide variety of food grown across the province.

We can't wait to welcome you for a day of learning, great food, and farm fun. See you at Breakfast on the Farm! - The Wensink Family
